- Douglas Park: Barbara and Dan: 11am-1pm
- Route 9: Francois: 9:30am-12:30pm

Complete Streets - Claire

Claire attended the Planning Board work session only to find the chair, Lisa Santo, absent and just 4 members in attendance. As a result of this no conclusion was reached or no decision was made, however, it was put on the regular agenda and deferred to April's meeting. In summary, "we didn't go anywhere" as stated by Claire.

Master Plan Committee Meeting - Claire

Bhavya, Claire and Francois attended the meeting which was arranged by the Mayor that included the chairs of different boards and committees. Also in attendance was David Smith who briefed the group on the objectives and various aspects of putting together a viable Master Plan for the village that complements the existing WLRP, which is used currently by the village for guidance. After a brainstorming session, the group opted to hire a professional to guide us through this process and custom tailor a plan that is suited to our needs rather than off the shelf plan for all. Discussion adjourned until the next meeting scheduled for Feb. 29th at 7pm at Village Hall.

Plastic Bags Initiative

Rebecca was not present so no further information at this point.

Regular meeting time was set for the 1st Monday of the month at 7:45 pm.

Next meeting is Monday March 7th.

Meeting was adjourned at 8:45 pm.
